

Joshua MultiPoint product information sheet, January 2010.

Multipoint – Earn more from your distribution!

- ✚ Fully integrated distribution solution. Low TCO.
- ✚ Supports multiple editions & multiple distributors.
- ✚ Highly robust and fast database engine suitable for on-line integration.
- ✚ Automatically calculates optimum distribution based on past sales & availability.
- ✚ Record marketing & merchandising events to compare changes in circulation over same period.
- ✚ Analyse marketing effect by region and/or outlet type.
- ✚ Integrated CRM (Customer Relationship Management) tools.
- ✚ Integrates with on-line systems supporting bi-directional data transfer (Web, email, XML).
- ✚ Parameter driven system means high flexibility.
